Consultant is not liable for any indirect, incidental, special, or consequential damages, including the loss of profits, revenue, data, breach of security or use or cost of procurement of substitute services incurred by Client or any third party, whether in an action in contract or tort or based on a warranty, even if Consultant or any other person has been advised of the possibility of such damages.

Client indemnifies and agrees to hold Consultant harmless from any loss, claim, or damage (including attorney fees) to persons or property arising out of any contractual agreement with Consultant to the extent that the loss, claim, or damage is caused by Client's breach of any term of any contractual relationship between Consultant and the Client, and/or the intentional act of Client. Neither Consultant nor Client has the authority to enter into any contracts on behalf of the other party or otherwise act on behalf of the other party.
